

## **RICHARD III: The Maligned King** *Annette Carson*

### **A major reassessment of Richard III**

*The History Press, 320 pages, 27 colour plates*

Traces what really happened based on original sources

Disproves traditional assumptions common among historians

‘The Princes in the Tower’ – the reality behind the myth

The unpleasant truth about the first Henry Tudor

#### **Raises controversial questions:**

Was Edward IV assassinated?

Did Queen Elizabeth Woodville engage in witchcraft?

*The final truth may never be known,  
but after centuries of defamation  
the case for reappraisal is long overdue*
